# ADVANCED DRIVER ASSISTANCE SYSTEMS

## Supporting drivers, maximising traffic safety

Advanced Driver Assistance Systems (ADAS) help drivers identify potential hazards and can take over certain tasks or actively intervene in critical situations to enhance road safety. Knorr-Bremse offers a range of radar and camera solutions that form the core of our ADAS portfolio. These components enable functions such as collision warning, emergency braking, and active cruise control. Specific part numbers and product applications can be found below.

### Radar Range

AM Part Number	OE Part Number	Description	Application	Documents
K248112N002	K072848R001	Front Radar Assembly (FLR20)	Kenworth Wingman Advanced Fusion 2	SD-61-4963 BW2681 Y210475
CV3804	K113242R001 K203521R000 K288900R000	Front Radar Assembly (FLR21)	Mack Fusion 1.0 Mack Fusion 2.2 Mack Fusion 2.2	
CV3746	K133412R001 CV3602 CV3739	Front Radar Assembly (FLR21)	Kenworth Fusion 1.0 Kenworth Fusion 2.2 Kenworth Fusion 2.2	
CV3709	CV3607 CV3738	Front Radar Assembly (FLR25)	Kenworth Fusion 2.10 Kenworth Fusion 2.10	SD-29-50022 Y570371
CV3805	K236198R000	Front Radar Assembly (FLR25)	Kenworth Fusion 3.0	

### Camera Range

AM Part Number	OE Part Number	Description	Application	Documents
K129406SC003	CV3620	Camera (FLC20)	Mack Fusion 1	SD-64-20124
K185683SC001	K172006R001	Camera (FLC20)	Mack Fusion 2	
K194042SC001	K157891R001	Camera (FLC20)	Kenworth Fusion 2.2 (Conventional)	
K158107SC002	K211713R000	Camera (FLC20)	Kenworth Fusion 2.2 (Cabover)	
K236199SC001	K236199R001	Camera (FLC25)	Kenworth Fusion 3.0	SD-29-50024 Y570370
